

## HCLSoftware Certified Professional Administrator - Notes/Domino 14.5 (HCL-DOM-PADM-145) Certification Exam Guide

---

### Introduction

This intermediate exam is for experienced HCL Domino Administrators who plan, install, upgrade, and manage HCL Domino 14.5 servers and users.

The HCLSoftware Certified Professional Administrator for Notes/Domino 14.5 should be able to demonstrate Domino 14.5 skills associated with expanding an infrastructure through features such as Domino OIDC, Passkey Authentication, TOTP, Certificate Manager for TLS, Advanced Email Security, AdminCentral, REST API, Nomad, HCL Verse Package and One-touch Domino Set up and additional core Domino services and functionality.

### Exam Format

- Multiple choice – Has one correct response and three incorrect responses
- Number of questions: 50
- Passing score: 70% (35/50)
- Exam duration: 75 Minutes

Unanswered questions are scored as incorrect; there is no penalty for guessing.

### Exam Results

The HCLSoftware Certified Professional Administrator - Notes/Domino 14.5 (HCL-DOM-PADM-145) certification exam is a pass or fail exam. The exam is scored against a minimum standard established by HCLSoftware Subject Matter Experts who follow certification industry best practices and guidelines.

Your score report could contain a table of exam competencies that illustrate your performance at each level. This information is intended to provide general feedback about your exam performance. You do not need to achieve a passing score at each competency level. You only need to pass the overall exam.
